No____

15) Are you experienced with docking at fixed docks? Yes____ No____ May be a bit rusty____

16) Will you require lessons to upgrade your level of skills? Yes____ No____

Private Instructors/ Captains are available for approximately \$25 per hour or \$200 per day should you require a refresher checkout.

Insurance regulations specify that a "qualified bareboat captain" must be proficient in all skills needed to safely handle and operate

a vessel equivalent in size and displacement to the yacht being chartered. Should a Charterer not be deemed competent to safely handle

the vessel during the checkout, the Agent of Los Angeles Yacht Charters will suggest an instructor at the Charterer's expense.

The Charterer will receive at least four hours of instruction or that amount of time needed to bring his/her skills to a level acceptable

to the Agent's assigned instructor. We will be happy to document your progress and provide level of achievement certificates for all

instructional charterers.

Crew Information:

1 crew person: _____ Age: _____

Since 1980, how many years experience as a Skipper: _____ Crew: _____ Power: _____ Sail: _____

**Los Angeles Yacht Charters
2785 Pacific Coast Highway Suite 209
Torrance Ca 90505**

Please send all faxes to: 310-891-0011

Terms & Conditions:

Captained & Instructional Charters: Should you desire to just relax and enjoy your cruising vacation, we're happy to help you arrange for a Captain, crew, and provisioning for a completely worry-free vacation. The Captain is employed by you the charterer. Los Angeles Yacht charter can provide you with a list of licensed Captains.

Charter Periods may be tailored to any number of days you desire; weekends and holidays at no additional charge. Your first day of charter begins at 8:00am any day of the week except Sunday and the last day of charter ends promptly at 4:00pm. Overtime charges

may be assessed for late returns. **Pre-Charter Boarding the evening prior to your charter is possible with arrivals after 3:00pm for a fee of \$75.00. This service is FREE for our previous charterers.**

Included is the full use of our facility, your own slip, separate showers and pool. All yachts are equipped with our **Deluxe CruisePak** which consists of a full complement of galley ware, cabin fans, charts, nav equipment, VHF, 12v receptacle, starter quantities of

disposables and ice, foul weather gear, dual ground tackle, 2 compasses, blankets, pillows and pillow cases.

Linens/towels are

available upon request for \$20/pp.

Qualifications for Bareboat Chartering include certification by the Charterer that he/she and crew have adequate knowledge of

seamanship, piloting, navigation, and rules of the road. A Charterer not meeting these qualifications, at the discretion of an Agent of

Los Angeles Yacht Charters, Inc., must have an instructor on board, selected by the Agent until the Charterer is judged competent in handling the vessel.

Payment Terms A 50% deposit of the charter fee is required to confirm your charter dates; at that time we will forward a Draft Copy of

your contract. The balance of the charter fee, taxes and options such as pre-charter board, is due 45 days before departure. The

security deposit must be paid prior to boarding, upon arrival at the Charter Base. We accept cash, certified checks, Visa/MasterCard

and travelers checks as payment. If you would like to pay your Security Deposit by personal check, it must be received in our office 10

days prior to your charter starting date. **USCG Bareboat law requires all payments to be paid by one individual, the Charterer.**

Cancellations If you find it necessary to cancel your charter, the following guidelines apply: Outside of 45 days before the charter start

date, a \$300 fee will apply and the balance of your 50% deposit will be refunded. Cancellation of 45 days or less before the charter start

date, no monies will be refunded unless we are able to rebook another charter on the same boat for the same dates at which time

refund of monies paid to date less a \$300 rebooking fee will apply. No refunds will be given due to voluntary termination of the charter,

“no shows”, or inclement weather. In the event that a “named storm” is due to affect the cruising area, all processing fees will be

waived and the charter rescheduled. Any change in reservation may be subject to a \$75/processing fee.

See Trip Cancellation/Coverage Below.

Trip Cancellation/Interruption CoverageWe strongly suggest the purchase of Trip Insurance to protect your deposit and subsequent

payments if you have to cancel due to death, illness or injury to anyone in your group or immediate family.

Information is available from

our office and website.

Checkouts are informative, thorough, and included in your charter fee. The charterer will be given specific instructions on the proper

operation of the yacht they are chartering first at dockside and will then depart for an additional checkout under way going through

different points of sail, navigation, anchoring, motoring and docking. Please allow 2 hours in your schedule for this checkout procedure.

This quality time allows the charterer and crew to become familiar with the idiosyncrasies of their specific yacht. The Captain of the

charter must be able to demonstrate that he/she is able to direct his/her crew and is competent in safely handling the vessel.

Security Deposits vary for each yacht based upon the deductible amount of the yachts' insurance, which is usually 1-3% of the hull value. This may be paid either by personal check 10 days in advance of your charter or at boarding by cash, cashiers check, traveler's checks, money orders or Mastercard/Visa or Discover. All security deposits will be deposited into an escrow account and returned to the charterer within 10 workdays from the last day of the charter less the cost of items lost, damages, fuel not replaced, pump-out fees, clean-up fees, etc., if any. If there is damage or loss, then an approximate amount for repairs or replacements will be withheld from the security deposit return for such time required to restore the yacht and her equipment back to prior charter status and the actual replacement value or repair costs are confirmed.

Insurance is included in the charter fee. All yachts are fully insured with a damage deductible amount based upon 1-3% of the hull value. Charterers are responsible for any difference between the amount of the Security Deposit collected and the 1-3% deductible

amount, if any. All yachts are restricted under insurance regulations for use and operation in the Los Angeles Bay.

Pets/Smoking Although we are all animal lovers, pets are not allowed on board and a “smoking on deck” policy is in effect for all yachts.
